Assessment Report Forms.

1. The attached requests for reproduction of forms which were submitted directly to Reproduction Branch, Services Division, for action have been forwarded by Reproduction Branch to me for approval. Upon examination I note that they are the old assessment and screening report forms used by the Assessment Staff.

2. In view of the recommendations contained in your memorandum, dated 18 October 1950, which was subsequently approved by the Acting Executive, it would appear that the printing of this old form at this time would be an unnecessary expense to the Agency.
